Clover Go.
Because Your
Business Never Stops.

Clover Go
Accept payments on the go, wherever you go.

Growing a business takes constant momentum. Get the POS that keeps up with how you work.

Whether you're running around your store or tend to take matters into the field, Clover Go is your go-to POS for secure credit card swipes, dips and taps. By making it easy to take your business to your customers, Clover Go helps you get more done.

Manage your business, your way.

The Clover Go solution is fast, reliable and customizable. You can set custom tip and tax rates, add and manage Clover Go permissions for employees, see your transactions on the Clover dashboard and email or text receipts to your customers.

Get Clover Go and help take your business to new heights.

A Better POS Here, There and Everywhere.

Featuring many of the same industrial-strength payment capabilities and security as our larger Clover devices, Clover Go lets your customers pay their way wherever they are.
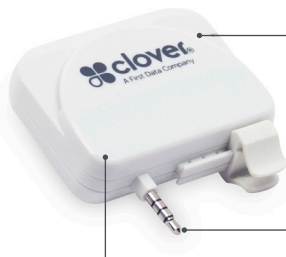

In the know—on the Go

Clover handles virtually all of your essential business needs—right out of the box.

- Accept more types of payments including magnetic-strip and EMV®-enabled credit cards, signature debit cards, and even contactless payments like Apple Pay

- Help protect your customers, business and reputation from fraud with built-in Clover Security

- Get deeper understanding about your business with Clover Insights

Additional benefits

- Simple device setup lets you start accepting payments immediately

- Clover Go can work with select apps in the Clover App Market, providing you with a wide range of tools that can help you run your business better
